SUJET n°2

Accident Report

An accident occurred in the building company you are working in and you are the only person to witness the scene. You have to fill in it first on line, then to report it to a safety officer.

Role play:

You meet a safety officer and you give information about:

- The employer (name of the company, address...)
- The incident
- The injured person and injury
- The accident
- The description of what happened

The safety officer asks you to explain which security rules were not respected on the scaffolding
